

## ABOUT THE STATE

## HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

The Baptist athletic field in Rutland has been formally opened.

Dr. and Mrs. O. M. Bump observed the 50th anniversary of their marriage at their home in Salisbury Wednesday.

In a fall through a trap door, Guy N. Smith of White River Junction suffered a dislocated shoulder, a sprained wrist, and severe bruises.

One child died in infancy and the oldest son, Edwin, left home 15 years ago for the Klondike in Alaska and has never been heard from since.

The Congregational church at Middlebury has unanimously voted to call the Rev. Henry C. Newell, of Summerville, Conn., to the pastorate of the church.

Ten of the 12 children born to Mr. and Mrs. William Sargent of Mendon, were with them Wednesday to assist in the celebration of their golden wedding.

L. B. Johnson of Randolph, a member of the state board of education, will deliver the address at the closing exercises of the Bridgewater Corner schools next Friday night.

With a line-up of 13 horses whose time averages around 2:05 and a fraction, the \$2,500 free-for-all race which will be run by the Rutland Fair association in September is an assured success.

A fire of unknown origin destroyed the upper part of the middle section of the large horse and hay barn on the Lionel Fish property in Rutland. The loss was about \$500. Tramps are suspected, of having caused the blaze.

Rev. E. L. Nye, who has served for 20 years as pastor of the First Baptist church at Hubbardston, was given a pleasant anniversary celebration Monday by the Shaftsbury Ministerial association in recognition of his services. The gathering numbered several hundred.

Miss Elvira Lacasse of Winoski and Miss Rene Gaboriau of Elmore, while on their way fishing last Wednesday, met with a porcupine. Miss Lacasse threw a stone at the animal and knocked him over, then between them they killed him with sticks and stones. The animal weighed 15 pounds.

Dr. H. A. Ladd of Burlington testified in the hearing relative to Mrs. Hudson, who operates a boarding house in Guildhall, and she was bound over to the Essex county grand jury. Arsenic was found in food which it is alleged she prepared, not enough to be fatal but enough to make persons eating the food ill.

Having lost one game this season and having won ten, the Proctor high school baseball team lays claim to the championship of the state. They have defeated all the strong teams in the middle and the southern section of the state, including the strong Rutland, West Rutland and Black River teams, the latter being the champions of Windsor county.

Mrs. Ira Mather of West Brattleboro was injured recently while she and several other young women were helping to serenade Mr. and Mrs. George Kingsbury, just married. In hurrying through a door, which did not notice had a glass panel, she shot her arm through it, severing an artery. She is still under care of a trained nurse.

## GOT SMALL BOOTY.

Robbers Blew Open Safe in Saxtons River Postoffice.

Saxtons River, June 15.—Crackmen who are believed to have been professional, blew open the safe in the postoffice here about 1:30 o'clock yesterday morning. The explosion completely wrecked the safe and caused considerable damage about the room.

The haul was comparatively small. A registered letter containing \$200 was taken, and less than \$5 in change. A large book of stamps, about \$100 worth, was overlooked and a bag containing change and the key of the safe, hidden in the room, was not found. Some postal savings certificates were taken, but it is believed that nothing can be realized on them.

Patrick Hartly is postmaster, and the building in which the office is located stands across the street from the Saxtons River inn. About 1:30 o'clock several persons in that locality heard the explosion but thought it was due to boys' pranks and paid no particular attention to it. When people began passing the place on their way to work, however, it was discovered that a burglary had been committed.

The eggs gained admittance by breaking the glass in the double front door, reaching through and pulling up the bolt which fastened one door at the bottom and then forcing both doors in.

They used nitroglycerine in blowing up the safe. Pieces of the safe were scattered all over the room, some going into the wall. One piece went through a mail bag hanging in the room. The force

of the explosion broke much of the furniture and a typewriter.

Deputy Sheriff George P. Alexander was on the scene soon after the burglary was discovered and began an investigation.

It is believed that the burglary is the work of an automobile gang that cracked the safe in the Williamstown postoffice Monday morning.

## A TALK WITH

## A BARRE MAN

George L. Cummings, Engineer, of 124 Prospect Street, Tells of an Interesting Experience

There is nothing like a talk with one of our own citizens for giving hope and encouragement to the anxious sufferer from the dread kidney disease. We, therefore, give here an interview with a Barre man:

Mr. Cummings says: "I had a constant, dull ache in the small of my back and was bothered by kidney weakness. Doan's Kidney Pills, procured at Drown's Drug Store, cured these troubles, and there have been only two slight return attacks. At such times, I have taken a few Doan's Kidney Pills and have found prompt relief."

Price, 50c at all dealers'. Doan's simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Cummings had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.
